How would you rate the responsiveness of the website?	4
How would you rate the ease of use of the website?	3

Extra Comments

If you could change one thing about the website what would it be?	This colour scheme hasn't improved since the last survery, changed but i wouldnt say better.
What do you find most frustrating about the website?	I dont like the colour scheme at all really.
Do you have any extra comments or feedback?	As above.
